## PROPHETS OF OLD

# First to See Coming Of Prince of Peace

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — For centuries prophets have forecast the birth of a Christ Child and historians have made many references to the coming of a Messiah.

There are some of the names which have been applied to Him. Immanuel, Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace, The Lord of the High and Low, the Lord of the East and West.

## Magi Followed Star To Find Son of Mary

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — The mysticism and beauty of the Orient has mingled with the simplicity and reverence of a little town made holy by a divine occurrence.

Three sages from the East, impressive in the richness of their many colored silks and gold insignia, walked the dusty streets of Bethlehem today and told of their journeys across desert and plain to lay rare gifts at the feet of the tiny babe.

They spoke briefly and eloquently of the prophecy. "There shall come a star out of Jacob and a scepter shall rise out of Israel," and they described the brilliance and comet-like action of this star which had arisen in the east, and which they had followed until it halted over the Judean city.

These three Magi who bear the names of Casper, Melchor and Balthazar, were familiar with the Hebrew prophecies which foretold the advent of the Messiah, and had long waited for the star, they said. To prepare for the promised King of Israel, they sold their possessions and equipped a caravan.

Last night, surrounded by humble shepherds and barnyard animals, they fell to their knees and worshipped the young child with great joy, and presented him with frankincense, myrrh and gold.

When they were asked if the commonplace surrounding seemed out of keeping with Christ's significance, Melchor, the wise man, answered:

"The King we seek is not to be found in the palace, nor among the rich and powerful. If the light of the world and the glory of Israel had been appointed to come with earthly splendor, it must have happened long ago. For no son of Abraham would ever again rival the power which Joseph had in the palaces of Egypt or the magnificence of Solomon throned between the

## Overcome by Celestial Radiance

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — The shepherd's dogs and sheep were overcome also by the strange light from heaven last night, the men report.

## 'Mary Smiled at Me!' Simply Clad Boy Says

NAZARETH, Dec. 25—Beginning the Year of Our Lord 1. — A young boy — one of the band of shepherds which was visted on the hill near here last night by a heavenly host of angels who told them of the birth of the baby prophet, was a shy narrator of events transpiring at the stables when the presence of the child became known.

Rough clad, and plainly awed by his part in the divine drama, he gave the only clear impression gained of Mary, the mother of the Holy Child. The other shepherds were to inspire, and the wise men from the east too preoccupied with the identity of the infant to notice details which the eye of a child seized upon.

"Everything seems so quiet though something too won't in the stable," he replied to questions. "I noticed that even though the pigeons didn't coo like it. But I feel so peaceful inside."

## Messiah Comes Into World Torn By Internal Strife

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — Christ was born last night. They say he is a king. Into a world torn with strife, into a dictator-ridden country that trembles at the clashing swords of Rome, has come the ray of light so long awaited by the troubled people.

It is a far cry from the golden pillars of Solomon's temple to the crude stalls of a cattle barn.

For hundreds of years the memories and tales of the glories of ancient Jerusalem have been treasured in the hearts of scattered race. For generations they have unrolled their papyrus scrolls and reassured themselves that one day a Redeemer of Mankind would restore their kingdoms. With mighty armies. He would vanquish a tyrant Caesar, and rebuild their shining city.

The thought of Him in terms of shining reinment and a golden throne; they didn't expect swaddling clothes and manger hay.

They could see Him proclaimed by heralds with silver trumpets; they didn't think his companions could be rough-haired oxen and sleepy-eyed goats.

They expected urns of smoldering incense, but not the aroma of a stable.

Multitudes would prostrate themselves on the ground in His presence, they believed; they didn't suppose that a harried innkeeper would suggest that the royal family sleep in the barn because all of his rooms were full of taxpayers.

Some say that this baby born last night to Mary and Joseph of Nazareth couldn't possibly be the Messiah foretold in Scriptures. But there are others who remember the words of the prophet Isaiah, of Jeremiah and of Micah and with unspeakable joy hail Him as the Saviour of Israel.

## Mary and Joseph Both Descendants Of Royal Line

NAZARETH, Dec. 25—Beginning the Year of Our Lord 1. — Although Mary, mother of the Saviour, and her husband, Joseph, live among the humble folk here, where he is a carpenter, they are of the royal family of Judah and the descendant of King David.

The Jews keep exact lists of their genealogies thus explaining the present situation.

For the old prophets said that the Christ child was to be born at Bethlehem whereas Mary lives in Nazareth 50 miles distant. But when the Emperor Augustus called for the regular 10-year census he ordered Herod to register the people according to the tribe to which they belong. Mary and Joseph belonging to the family of David were required to go to Bethlehem.

Those who heard Herod's interview with these Eastern wise men say he was given only evasive answers.

Political commentators say it is understandable that Herod should feel uneasy at the rise of a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome.

The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions and controls about all in this part of the world that is worth taking. This has occupied the minds of the people, but has increased Roman extravagance. Palestine is one of these conquered countries and Herod is the King of Augustus's own choosing.

Some regard Herod's fear of a ruler who will overthrow him in a material sense as being unfounded.

They maintain that the significance of the Messiah is spiritual rather than political, and point out that he has always been prophesied as a Shepherd of Souls rather than a military deliverer.

Herod's nature, these commentators say, makes it impossible for him to understand a Prince of Peace.

# Long-Awaited Messiah Born in Lowly Manger

The Christmas issue today tells the story of Christ's birth as it might have been told if modern newspapers had been printed at that time. Today's current news appears on inside pages. The Bethlehem story was mainly written several years ago by a newsman and its use has become tradition with us. The dispatches are based on the story of the Christ child as it was originally written.

## Herod in Dread, Seeks to Delude Sages from East

## Manger Miracle Told Over and Over As Groups Collect

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1. — An apprehensive Herod sits on the throne of Judah, and is much disturbed at the significance of the Messiah in Bethlehem.

This was brought to light with the recent visit here of sages from the East who were seeking the newborn King of the Jews. Having heard of their inquiries, Herod hastily called together his chief priests and scribes who write the laws, and demanded that they tell him more of the prophecies of Christ's coming.

Then he summoned the wise men for questioning, and led them to believe that, if they would go to Bethlehem, discover the Child and return and tell him about it, he would journey there himself to pay homage.

Those who heard Herod's interview with these Eastern wise men say he was given only evasive answers.

Political commentators say it is understandable that Herod should feel uneasy at the rise of a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome.

The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions and controls about all in this part of the world that is worth taking. ## Great Joy Pervades City of Bethlehem

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — It is impossible to describe the feeling of great joy that pervades Bethlehem today as the coming of the long-heralded Messiah is realized by the majority of its inhabitants.

## Brilliant Star Presaged Secret Mystery of Birth

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1. — Eminent astrologers here admit to the appearance of a new star. They say that at infrequent periods such stars, or novae, as they term them, suddenly appear with great brilliance, are evident for a time, then fade away.

Last night's star, they explained, resulted from the conjunction of two great planets, Jupiter and Saturn.

## Magi's Wisdom Is Greatest in World Declares Caspar

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — This is what Casper, one of the wise men, said about their belief:

"The wisdom of the Magi is the greatest of all wisdoms on earth, because it knows its own ignorance. And that is the secret of power. We worship fire as a symbol of Him. We keep men always looking and waiting for a new sunrise but we ourselves understand that the darkness is equal to the light and that the conflict between them will never be ended."

## Season's Greetings

Copies of this edition, featuring our annual Christmas front page, written as it might have been recorded in contemporary papers in the year of Our Lord's birth, may be obtained for 10c a copy from the Lemon Grove Review office, 7834 Lester St., Lemon Grove.

We, the staff of the Lemon Grove Review and Spring Valley Bulletin, wish to extend to you a Merry Christmas and a Happy New Year.

The shepherds probably experienced the most poignant sensation for it was to them that the news was first given. The little group who were guarding their flocks from foxes and wolves that still roam the hills of Palestine, speak with great wonder of last night's message from the sky.

The amazing light together with the chanting of a heavenly host has brought on incoherence to their speech; but the radiance of their facts is more impressive than any words could be.

"An angel of the Lord suddenly flashed before us and the glory of the Lord shown all around us," one of them said.

"We were frightened but the angel said, 'Have no fear. This is good news. I am bringing to you news of great joy that is meant for all the people. Today you have a savior born in the town of David, the Lord, Messiah. And here is a proof to you: you will find a baby wrapped up and lying in a stall for cattle.'"

Then a host of heaven's army suddenly appeared beside the angel, extolling God and saying, "Glory to God in the highest, and on earth peace, good will toward men."

"Having sung this song, the angel went back to heaven, the light faded away, and all was dark as before."

"We began talking together about these strange sights and sounds," the shepherd related. "We didn't stop to think what would happen to our flocks, or wait until morning, we went at once. When we saw all was as the angel had said, we told everyone about it."

## Herod's Spies Said Departing Hurriedly For Jerusalem

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — Several known spies of the court of King Herod, who for the greater part of the morning have been furtively watching the stable wherein the King of Glory rests in his swaddling clothes, left and came bound presumably for Jerusalem.

Herod is known to be extremely interested in the journey of the Magi to Bethlehem.

## Eyes of All Judea Turn to Bethlehem As Word Spreads

## Appearance of Star Convinces Inhabitants New Baby is Prince

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1. — The eyes of all Judea are turned with awe today upon this little town as the world emanates from it that the long prophesied Messiah was born here last night.

Miraculous happenings and visitations of heavenly hosts which confronted them with radiance and divine song, lead inhabitants to believe that this is the prince of the throne of David, who Scriptures have said will reunite the scattered tribes of Israel and reign over them as the Son of God.

The appearances of a new star of Great Magnitude and luminousness, convinced them that it portends to the ancient prophecy.

The infant, born to Mary, a Jewish girl from Nazareth, who is the wife of Joseph, a carpenter, was first discovered by a group of shepherds who received the news of His birth from a band of angels while they were tending their flocks in the low lying hills outside the city.

Descending in a blaze of heavenly glory that prostrated the little group of men and boys with amazement, the divine visitors told them not to be afraid but to go to the stable in Bethlehem, where they would find the Christ in swaddling clothes and lying in a manger.

This the shepherds did, being guided all the way by an angel. There they found the child, but recently born, with his parents and stable animals. So deep was the conviction of the angel's message upon them, that they immediately accepted Him as the promised Saviour, and fell upon their knees and worshipped him.

Following in quick succession the visit of the shepherds was a caravan of wise men, or Magi, from humble birthplace bearing jewels and precious gifts. To them too, this was a long-awaited event, since they are close students of astronomy, and were watching for the star. When it appeared they regarded it as the sign that the child had been born which the prophet had foretold.

While the largest part of the population here is talking of the event in tones of unsurpassed awe, and plainly regard it as a means by which they will be delivered from their Roman oppressor, there are many who are frankly skeptical. They feel that the future Christ will come from a more significant source.

The whole atmosphere here has been one of unusual excitement for the past few days since that was the time decreed by Augustus Caesar for all tax payers in Judea to be registered. Mary and Joseph, being of the house of David, were required to come to Bethlehem, and although Mary was an expectant mother, and the 50-mile journey from Nazareth in Galilee was extremely arduous for her, the urgency of the order was such that they dare not say no.

From the meager details gained from keepers of public places, it appears that Joseph had failed to make any reservation for lodging. The low temperature of the winter night forced them to the stable where they made themselves as comfortable as they could in the straw. They suffered no ill-effects from the experience, however, and those who visited the little family after the birth became known, report that an aura of light transformed the dingy surroundings into a place of beauty.

Mary indicated that she would call the child Jesus.

## This Sunday

Always and Everywhere

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is far more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

# LEMON GROVE REVIEW

Lemon Grove, California

Dec. 19, 1968 Page 3

## County Fire Radio Sytem Delayed

**MEMBERSHIP TROPHY:** Members of the outgoing officers group display a membership trophy that the Lemon Grove Republican Women's Club, Federated, won at the County Convention at the Bahia Hotel on Dec. 9. The trophy was given to the group for obtaining a 100 per cent increase in membership. Shown from left to right are Mrs. Frank Sieverding, vice president; Mrs. Edgar Weist, treasurer; Mrs. Kathleen Drummon, secretary and Mrs. Joseph F. Wyer, jr., president of the group. Missing was Mrs. Raymond Graves, corresponding secretary.

## Supervisors Choice Expected Next Week

County Supervisor Robert C. Dent has requested other members of the board of supervisors to delay action for one week in consideration of purchasing a \$450,000 county-wide fire communication system.

Dent was serving as temporary chairman of the board, while Henry Boney, director of the board of supervisors, was in Washington D.C.

The system would cost Lemon Grove roughly \$11,700 for purchase costs. Spring Valley will have to lay out some \$13,100 to update equipment to fit into the package plan.

Under the system proposed by fire chiefs and supervisors, the county would act as the purchasing agent, buying on a mass basis under contract from Motorola Communications and Electronics, Inc.

Local fire departments would tell the county what they need to be tied in on the system. The county would then purchase it, and bill the local departments.

The agreement which totals \$451,733 from Motorola C & E, Inc., calls for county installation of equipment.

Repairs to the equipment would have to be at the expense of

In total, some 32 communities will be taking part in the program. The program would allow smaller communities to tie in with each other in event of a major fire disaster.

Fire Chief G. Frank Berger of Spring Valley, said earlier that this program will help Lemon Grove, Spring Valley and every other community in the county.

He said, "We learned our lesson over a year ago up in Poway. At that time a major fire was out of control, and there was no way that we could keep in touch with a central control system."

"We have experienced basically the same problems in the Heartland Mutual Aid program where Spring Valley, Lemon Grove, La Mesa, El Cajon, Santee and Lakeside are on different bands.

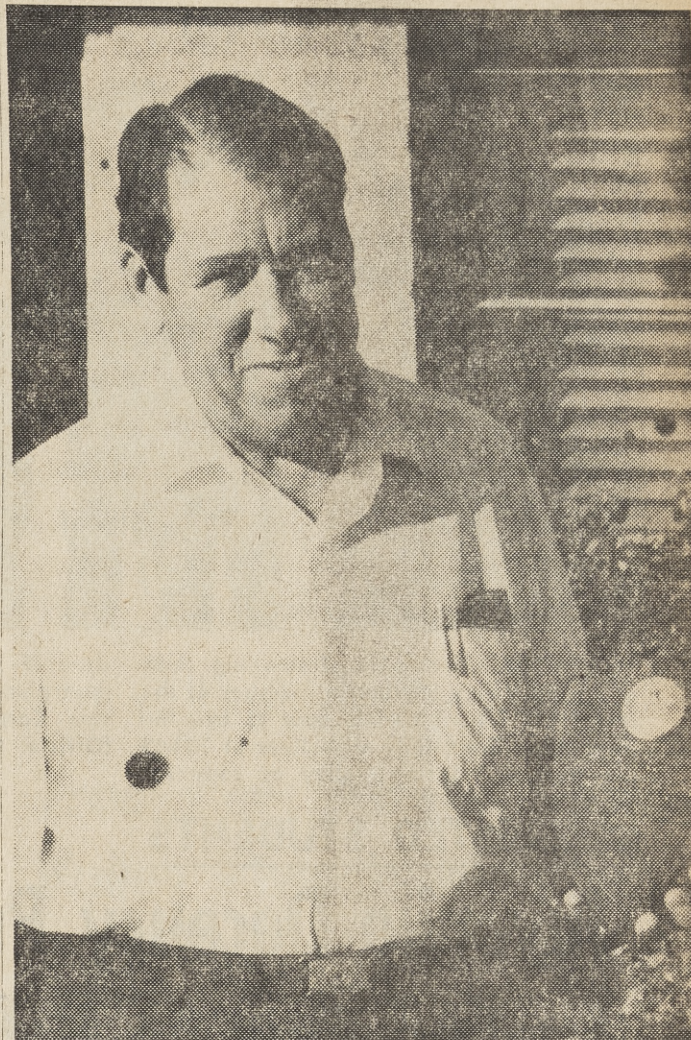

"Under the proposed program, when we have to act with other fire departments as one agent fighting a fire, we will be able to go on the emergency frequency so that we can coordinate activities."

H. L. Hensley, fire chief of Lemon Grove said that the program will correct the most

outstanding deficiency in the county. "We have been risking a major loss to surrounding communities as well as our own without the system," Hensley said.

The fire chiefs in San Diego county took their proposal to the supervisors in early August. Since that time, Bob Dent, as chairman of the committee appointed to study the request have come up with a suitable plan.

El Cajon will have to spend around \$17,500, while La Mesa would be required to use \$13,900 to join in the communication system.

**NAVY AWARD:** Sam Pernicano, owner of Pernicano's Restaurant, 7810 Broadway, Lemon Grove has received an award from Rear Admiral H. D. Warden, of the U.S. Naval Hospital for his efforts in helping Navy and Marine veterans to get a night out from the hospital to enjoy a free dinner. Pernicano initiated the program in Aug. of 1967. Twice a week, he has eight patients visit his pizza house. Since he started the program, 150 veterans have attended the suppers.

## Financial Warning Flag Hoisted For School Board

Paul Reynolds, business manager and assistant superintendent of the Lemon Grove School District ran up a financial warning signal Monday night at the regular meeting of the trustees.

He said that the pressure to reduce class sizes and adding special classes required by law will become a financial problem that may soon face the board.

Added to that, he said, operational costs are increasing. Raises recently awarded to personnel will be a growing budgetary matter.

If more state aid is not forthcoming, he said, the funds must be generated locally.

No action was requested or given on the matter.

The board indicated it would approve traffic warning signals at San Miguel and Massachusetts avenues if the County Board of Supervisors permit such installation.

The signals would be amber

flashing ones, operated by hand. The Junior Patrol would continue their duties with the amber lights as aids. Cost is estimated at \$3,000 with the school district paying half.

The board approved another special class — this one almost completely federally funded. It is Head Start, a summer school program for about 40 pre-kindergarten kids.

Application is being processed for \$15,000 in federal funds. The local district would supply services equivalent to \$3,000. These would be in the form of rent and utilities.

**Drug Problem**  
A closer look at the drug problem was taken at the meeting. The board set a strong policy on the teaching of the harmful dangers of narcotics, drugs and hallucinogenic substances.

Teachers will be urged to keep constant watch for evidence of drugs used among students. Disciplinary action in each case will follow full investigation and each case will be handled separately, the board decided.

## A Queer Type of Leader

Walter Winchell, the idol buster, revealed in the Sunday Union that one of the teen-age leaders is slightly tilted.

He reported that F. A. Birmingham, writing in Status, listed some of the peculiarities listed in 'Who's Who In America' Birmingham referred to an item in the New York Times concerning poet Allen Ginsberg.

Ginsberg is one of the leaders who supplies inspiration for young kooks and gullible young people, some of whom were involved in riots, including Chicago, and campuses across the nation.

"Ginsberg," the item says, "listed under military service on his questionnaire that he copped out of World War II as a schizophrenic queer."

He's a leader?

## Have a Smoke

Earlier this month San Diego Sheriff's Deputies picked up four teenagers for possession of marijuana.

There were four of them in the car and the police confiscated three marijuana cigarettes.

None would admit to the ownership of the narcotic so the Court released them all. In its wacky wisdom, the Court took the position that three cigarettes for four youngsters leaves one innocent — based on a one-for-one measurement.

Earlier, a Sheriff's man, sitting in a holding room with them, waiting for the hearing, offered the youths a smoke from his pack of cigarettes.

"No, thanks," they chorused, "they're injurious to health."

## Students Present Christmas Program

More than 50 students from the John F. Kennedy (School No. 3) School in Tijuana took part in Christmas activities and classroom studies at the Avondale School in Spring Valley yesterday.

The program, now in its ninth year, saw the students from Tijuana transported to the local elementary school by bus.

The Mexican students were placed in the fourth, fifth and sixth grade classes starting at 10:30 a.m.

Art classes, recess, and a special lunch program was held, with the students sharing each other's work, and experiences.

Donald Barnes, principal at the school said, "We placed the students in the top three grades, and then let the kids do most of the work."

"When it comes to communications, it is amazing to see how they can talk together and get what one wants in such a short period of time."

**Christmas Program**  
The program, sponsored by the Avondale School PTA included their annual Christmas program.

The program, entitled, "Faith, Love, and Peace on

recitation of "Christmas is a Time of Giving", by Dayne Pendleton, a student at Avondale school.  
Miss France Morris gave a presentation of Twelve Days of Christmas. She was accompanied by Cynthia Haney, a student. Ed Moss, a 6th grade teacher, gave "A Christmas with Charlie Brown", presentation.  
Silent Night was done by Miss Morris and Duane Van Steel, both teachers. Van Steel also sang Joy to the World. A Verse Choir Melody was done by Miss Mary Carpenter, and Mrs. Iris Cossey, directing.  
Other musical numbers were performed by Mrs. Carolyn Dial; Mike Abdelnour, accompanied by student Luray Walsh; Clyde Morton; Mrs. G. H. Pool; and two students, Kathy Olson, and Carla Wernmark

## College President Resigns

Harold G. Hughes, president of Grossmont College has announced that he will retire on Aug. 1, next year, after serving some 33 years in Heartland area schools.

The announcement came Monday night at the Grossmont Junior College Board of Trustees meeting.

He told the board that he was resigning for personal and health reasons. Hughes college in 1965. He joined the Grossmont High School faculty in 1936.

In 1950 he started working toward a junior college in this area. It was in 1951 that Grossmont College came into existence.

Hughes had served as deputy superintendent of the Grossmont Union high school district until 1965 when he was made superintendent of the college.

The president of the college told the board that he submitted his resignation as early as possible allowing the board proper selection for a replacement.

The board itself will see a change in the spring when three of its members will be running for reelection as college trustees or for the high school governing board, or not running at all.

Next year, the board which served as both high school and junior college district trustees must split up as a single unit

# Juvenile Decency Program Spelled Out At Helix High

By Linda Sullins  
Helix High Journalism Student

Helix High School students are demonstrating — demonstrating that it is more blessed to give than to receive.

Perhaps the highlight of this concern was the school's collecting 17,167 cans of food during the Thanksgiving season. The cans were distributed to needy families by the La Mesa Welfare Dept.

An estimated 2,000 students brought cans, Judi Ehrenfried, Girls' League president, said. Don Hutchinson, Helix freshman, proved to be the top contributor with 620 cans.

This was the Girls' League's fourth annual canned food drive.

### Key Club Sponsor Trip

In another demonstration of interest in their fellow man, Helix Key Club members cooperated with the Copley YMCA in sponsoring a recent trip to the zoo for 32 underprivileged children.

The children, ages 7-10, were treated to a picnic in Pepper Grove following the trip. The trip was arranged and paid for by Key Club members, Alvin Larsen, advisor, said.

The 150 members of Helix High School's choir, glee clubs, and ensemble groups are busy readying Christmas songs for presentation at hospitals, convalescent homes, churches, and service clubs.

Beth Chambers, an ensemble soloist, also sings with Up With People, a volunteer group promoting juvenile decency through song.

Seven members of the Helix drama club, Descendants of Sophocles, serve as ushers for Old Globe Theater. "It's an interesting and rewarding experience," Chris Hall, club vice president, said.

"Our most recent service was ushering for 'Ah Wilderness,'" Jill Kuykendall added.

### Bicycle Safety Checks

Four Helix juniors gave more than 100 bicycle safety checks and helped administer tests to bike riders at La Mesa Junior High, Mrs. Lottie Allen, corresponding secretary for the La Mesa school, added.

"The public spirit shown by these boys is to be commended," she said. The boys are Dick Comber, Robert Edgar, David Shaw, and Keith Sinclair.

Dee Dee Dayhoff and Anne Tyler have spent every other Saturday for a year and a half teaching English to children in Tijuana who can't afford to attend school. The classes are taught at La Academia de Los Californias.

The Helix High Distributive

Education classes are collecting canned food, money, and used clothing to be donated for distribution during Christmas time.

### Candystrippers Serve Hospital

Some 75 Helix girls serve as candystrippers at local hospitals. Duties include putting linens away, feeding patients, delivering flowers and mail, taking patient admissions to his room, selling gifts in the gift shop, and picking up lab and pharmacy slips and prescriptions.

Representative of hospital aides is Janet Browning, junior. She works on the third floor taking care of elderly patients.

"I never wanted to become a nurse until after I became a candystripper. Now I realize how much I am interested in helping the sick."

"Most of all I like to feed the patients and learn how to operate the heart machines in the Cardiac Care Unit."

Janet helps out as a ward clerk in a La Mesa doctor's office on Saturdays. She is currently nominated for president of the Grossmont Hospital Junior Auxiliary.

Karla Ruyle helps take care of an elderly widow. She fixes her hair, takes her shopping, and keeps her company.

### Junior Y-Teens Work

During the Halloween season, members of the Helix Junior Y-Teens participated in a novel trick-or-treat idea. More than 40 members collected \$184 for the United Nations Intermediate Children's Emergency Fund.

"Debbie Teter and Joyce Clagett were the top trick-or-treaters," Ellen Weber, Helix student chairman, said.

We got a lot of satisfaction from helping others. Besides, it beats pushing over outhouses as a Halloween activity," she laughed.

Another group of Helix students and Job's Daughters served gratuitously, at the Lemon Grove public schools awards dinner.

Darryl Simmons, Helix cross country team captain and ASB attorney general, and an Eagle Scout, serves as a junior assistant scoutmaster.

Randy Madsen, a member of the Helix varsity basketball team, and also an Eagle Scout, is a leader in his church's young people's organization.

**Redecorate Bancroft House**  
Three Helix lassies, Barbara Schrock, Sharyl Marcoux, and Wendy Forstrom, members of Girl Scout Troop 447, contributed 15 hours recently in helping redecorate Bancroft House, a historical museum in Spring Valley.

Two other Helix students are

sharing their homes with "adopted" sisters. Lorraine Price and Wanda Nelson and their families are hosts for the school year to Navajo Indians from a reservation in Northern Arizona.

"The girls are treated as members of the family," Lorraine said.

Helix' Language Department is conducting a toy and candy collection to provide a happy Christmas for underprivileged children attending a San Diego area school.

Some 734 toys and an estimated 27,000 pieces of candy have been collected, according to Phil Knott, Language Dept. chairman.

## Yuletide Music To Fill Air In San Diego Area

The Musical Merit Foundation will render a prelude to San Diego's 200th Anniversary Celebration when they present the community with a Christmas gift of unusual Yuletide music in Mission San Diego de Alcalá Sunday evening, Dec. 22 at 7:30 p.m.

The program will open with an instrumental number, La Lande's Symphony No. 2. This is one of four symphonic compositions written by Michel Richard de La Lande to be played on Christmas Eve at the midnight mass in the chapel of Louis XIV.

All four symphonies are based on a collection of French Christmas carols.

The second part of the program will consist of three of Brahms' "Choruses for Women's Voices": "O Bone Jesu", "Adoremus Te" and "Regina Coeli".

The first two will be sung by a chorus whose members include women from the Musical Merit Chorus, the choir of the First United Methodist Church of El Cajon and the Euterpe Women's Chorus which was originally founded by Henriette Harrelson for the Grossmont Women's Committee.

In the third selection the chorus will be assisted by two soloists: Virginia Lingrin, soprano, and Paula Chastain, alto.

After a brief intermission the orchestra will play the fourth of the La Lande symphonies and the program will close with Musical Merit's traditional "Ceremony of the Carols" by Benjamin Britten sung by the combined chorus.

The entire program is under the direction of Robert Haffenden. Haffenden is past president of the Musical Merit Foundation, a concert pianist as well as a music teacher, and head of the piano department of Title Three, the government supported conservatory located at Southwestern Junior College.

The board of supervisors received an offer for the lease of small, but choice, portion of the land for \$3,000 a year. Chairman Henry A. Boney

## Music Is Feature At Methodist Church

The 35-voice choir of the Lemon Grove Methodist church will perform the Christmas Cantata Sunday at 9 and 10:30 a.m. Choir director is John Dultman.

It will be the first time that doubled-up services have been held at the church since the Rev. Tom Warner became pastor during mid-summer.

It is also the first time the Cantata has been offered as a morning program.

The doubled-up program was decided upon after a non-holiday record attendance of 409 at Sunday's service.

The church is at Washington and Golden. In addition to the choir, the Rev. Tom Warner will preach.

## Holiday Greetings

...to all — particularly the thousands who save millions at Southland, our appreciation to you for another year of record growth. Looking forward to serving you plus many new friends with still greater reward during the coming year.

Sincerely,

## Telephones Busy For Christmas

You think Santa Claus is busy on Christmas?

He is, but no busier than 1,200 Pacific Telephone operators throughout the county who are girding for the greatest influx of Christmas calling yet.

Although Christmas falls on midweek this year as opposed to a weekend in 1967, a record number of calls is anticipated on the holiday.

P. B. Engh, the telephone company's division traffic manager, envisions approximately 184,000 out-of-town calls being placed by county residents. On the previous Christmas, that figure was 154,680.

In addition, approximately 290,000 calls will be placed this Christmas by customers using direct distance dialing procedures.

"This is a substantial increase over the 260,000 calls that were placed by county residents in the same manner last Christmas," Engh added.

Engh took note of the fact that the influx in the numbers of holiday season calls already is being felt in some of the suburban exchanges.

While holidays that fall on

weekends, as did Christmas last year, always pose an additional workload for operators. Engh believes that Christmas during midweek "may offer new challenges."

"Last year, there was a definite indication that persons calling relatives in other parts of the nation more or less spread their calls over the weekend. But that won't be the case this year. There's a chance our projected figures for 1968 are a bit conservative."

Every one of the 380 switchboard positions in six county long distance telephone offices will be manned on Christmas. "Operators will be worked on a three-shift basis throughout the 24-hour period. They know what lies ahead, but they are ready for it," Engh said.

As a final reminder to all telephone customers, Engh urged anyone contemplating making a holiday call should know the number he hopes to reach and then know how to dial it.

"Using the information pages in a telephone directory not only will save the customer time, but also will save time for a busy staff of operators," he concluded.

## County Owned Land May Be Used To Cut Sanitation Taxes S.V.

SAN DIEGO (CNA) — A five to six cent tax reduction yearly for the Spring Valley Sanitation District appears possible through the leasing of the site of the former sewage disposal plant, according to Warren A. Barney, chief officer of the district.

The board of supervisors received an offer for the lease of small, but choice, portion of the land for \$3,000 a year. Chairman Henry A. Boney

said he did not believe a governmental agency should be in the land business.

Barney said the 14.6 acres of land that will be available after freeway Route 125 is built will be very valuable.

Even now, some years before freeway construction, the land is said to be worth well over \$250,000. The land is expected to be accessible to the freeway from the proposed Jamacha blvd. off-ramp.

The site was purchased as a small portion of a 1955 bond issue for \$735,000. Site purchase and sewer plant construction were only \$200,000 with the air of a federal grant.

The plant was taken out of operation when the district tied into the Metro sewer system. Moveable parts of the plant were sold.

The only present use of the land is for the Spring Valley Animal Shelter under a rental contract with the county.

Bamboo bed slats are used to provide springy beds by natives of Borneo.

## Yuletide Thieves Put Damper On Christmas Shopping Spirit

Yuletide thieves will be busy stealing autos and Christmas packages at a record clip this year as the shopping season reaches its peak.

The National Automobile Theft Bureau make the prediction. Locally, residents are reminded that they can help stop projected losses that suggest a gloomy holiday by following these instructions:

Lock your car and take your keys with you. About one out of three stolen cars would not have been taken if the owner had followed that procedure.

Keep all packages and valuables out of sight . . . preferably in the trunk. A professional "booster" (car burglar) can open most locked car doors in less than 20 seconds. Items left exposed are often too tempting to ignore.

Park the car where it may be seen by others.

It is estimated that 10,000 autos will be taken during this month . . . showing a loss of more than \$10 million. Another 13,500 Californians will find packages and other items missing, at an estimated cost of \$310,000.

## Tracksters Attend Spring Valley Kiwanis Meeting

At the Dec. 4 breakfast meeting of the Spring Valley Kiwanis Club it was reported junior past president, Verne Watts, was in Room 178 at Grossmont Hospital, awaiting surgery. Watts was president during 1967.

Mike Curran, cross country coach at Monte Vista High School, and several of his runners, were present at the breakfast-meeting. Coach Curran showed a short movie of his team's activities and training and told of its accomplishments during this past year.

He said the team had 40 wins during the year, winning more trophies than any other high school in California. He said many of the youngsters will be in Varsity during 1969.

Coach Curran pointed out that there is "always room at the top" for those who are willing to work hard.

As an example, he said, Monte Vista has won CIF Championships three out of five years of competition.

He said Monte Vista is not successful primarily because of the coaching but because of the pride shown by the youngsters and their parents.

## Learn Spanish the Easy Way

## Hardison's Telespanish

by James Hardison

Caramba, it's almost Christmas! It's a time for "regalos" (gifts), "ninos cantando" (children singing), and "musica alegre" (happy music). It's a time for "posadas" and "pinatas." Also, "luces brillantes en la noche" (brilliant lights in the night). And there will be "corazones contentos" (contented hearts) for those who share in gift giving.

It's called "Navidad" in Spanish. Actually the word "Navidad" is related to the verb "nacer" (to be born) and a literal translation would be "Nativity." In truth, it is the celebration of the Nativity of Christ.

Most Latin Americans also celebrate "La Noche Buena" (Christmas Eve). They refer to it as the "Good Night." And it is a "Good Night." The party may begin with a solemn "Canto de Posada" (Carol singing which depicts the plight of Joseph and Mary seeking lodging) and terminate with "Rompiendo la pinata" (Breaking the pinata).

A salutation for the season is "Feliz Navidad" (Merry Christmas). For correct pronunciation of this expression it is necessary to stress the last syllable in each word as in "feh-LEES nah-vee-DAHD).

Add some Spanish fun to your Christmas by learning the following practice phrases. You can have some help, if you wish, by dialing 276-2762. The recorded voice that answers the telephone when you dial that number will say each word and phrases and pause while you say them. FELIZ NAVIDAD!

**IMPORTANT PHRASES**  
Say "Feliz Navidad" (feh-LEES nah-vee-DAHD) for "Merry Christmas."

## Monte Vista Falls To Hilltop, Then Castle Park In Basketball Play

By SCOTT MCGAUGH

The Monte Vista High School basketball squad prolonged their pre-season losing streak to five as they dropped games to Hilltop and Castle Park last week.

Against the Lancers from Hilltop, the Monarchs played an excellent first half and led 37-31 at intermission.

Fouls hurt the Monarchs late in the game as Roger Sommers, Jim Bristol, Dan Heine, Jim Krattli, and Bill Belander all fouled out for Monte Vista.

Eight roundballers fouled out for both teams as 71 fouls were called in the game. The Monarch lost the lead with four minutes left in the

third quarter and could never catch up to lose, 74-70.

Monte Vista then came home to host the Castle Park Trojans only to lose once more, 74-55.

The Monarch offense never got untracked as again Monarch fouls kept the Monarch behind as Monte Vista repeatedly missed free throws.

Down by ten at the half, the Monarchs fell down to 25 behind in the final quarter before cutting the gap to 16 as time ran out.

Jim Krattli had an excellent game for the Monarchs as he poured in 18 points. Jim Bristol followed with 13 and Bob Papciak and Roger Sommers each had six.

## Monte Vista Football, Track Coaches Resign

The Monte Vista High School coaching staff currently has two vacancies as head football coach Dave Fager was relieved of his post and cross country Mike Curran turned in his resignation.

Fager, coach for the varsity gridders for two years said he was unhappy over his being relieved.

Fager said that the removal was premature for it takes longer to build a team than just two years.

The Monarchs were 0-12-2 under Fager, which is no improvement over previous years with the exception of one when the Monarchs won four games.

Curran, however, resigned after commanding the Monarch cross country team which won CIF, the Grossmont League, and was claimed the top dual-meet team in California.

Curran's resignation will take effect in late January. He has accepted a position as health coordinator at Palomar College located in San Marcos.

No successors have been named to fill the vacated posts.

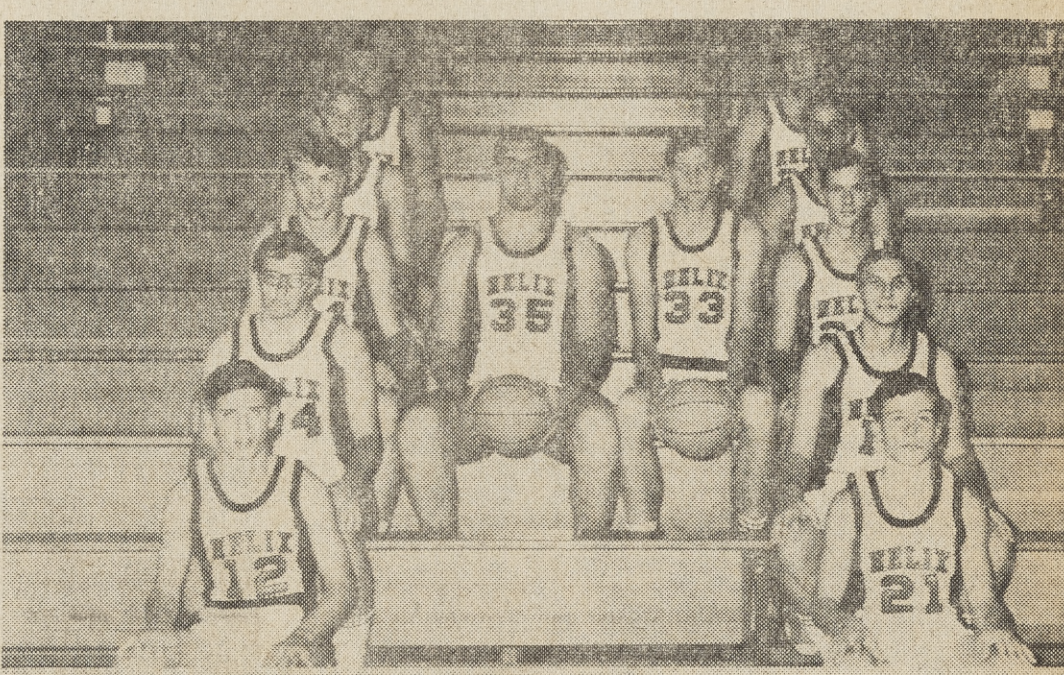

### Roadrunners Face Hawaii Team Saturday

The Los Toros Roadrunners of Lemon Grove will take on the Pearl City Chargers Saturday in a Pop Warner exhibition football game at noon at the El Toyon Park, 2005 E. 4th st., National City.

By MARK WALKER  
Mt. Miguel Sports Reporter

Mt. Miguel high school's defending C.I.F. championship wrestlers rolled over Chula Vista 34-12, last Friday afternoon in the Miguel gym.

The first match saw 95-pound Dale Sisson, Mt. Miguel's mighty mite, wrestle for 48 seconds before putting the pin on his man.

In the 103-pound division, Fred Taylor of the Miguel squad swamped his opponent

for three minutes to score an easy 18-0 decision. Taylor almost got the pin on several occasions.

Marty Ellis scored a shut-out in his match, (4-0) to give the Matadors the nod in the 120-pound class.

The second pin of the match came in the 133-pound division when Matador Robbie Brown whipped his opponent with 45 seconds gone in the third period.

In the 138-pound class, Dennis Romero pinned his man to

make the third pin of the day for the Miguelites.

The most impressive pin of the match came in the 154-pound class shortly after Doug Howarth had picked up a win on a decision. The pin came with 30 seconds gone in the first period and was made by Ron Kraft.

## CHARITY TAKES PRIORITY

# Monte Vista Students Display High Interest In Christmas Season Spirit

By MARY BONNER

Monte Vista Journalism Student

Monte Vista High School students, through various club activities and organizations on the campus have thrown themselves into the Christmas spirit.

The student body is showing the true meaning of Christmas through the spirit of giving.

Faculty co-ordinators Dan Stewart and Mrs. Irene Gwinup, accompanied by student representative, Steven Jessup, helped launch a toy drive to supply the University Hospital's Tuberculosis patients.

Gifts have been sent to fam-

ilies who could not otherwise afford such luxuries. Over 400 new toys and \$177 were donated to the cause.

The student body is planning a drive similar to this one for next year.

Another charity drive held by the students took place when each class made stockings which were filled with toys, cookies, and candies. Four stockings are to be given to an orphanage in order to brighten up a Christmas for some children who might not otherwise receive gifts this year.

What would Christmas be without the old caroling tradition?

A group of approximately 200 members of the Senior

class gathered yesterday in the school parking lot to depart in trucks for La Mesa and neighboring communities singing carols old and new.

## Holiday Program

Another way Monarch students have prepared to meet the holiday days is through their presentation of a free, hour long musical program to be given to students, parents and friends in the Monarch gym tonight at 7:30 p.m.

The program will feature three MV choral groups, the Madrigals, the choir, and the Girls Glee, under the direction of Miss Ruth Hock, as well as a full concert band, under the direction of Monte Snyder.

About 200 students will be

participating. Music groups, singing songs and along with talking to Santa Claus were part of the fun that staff members and their families had at a Christmas party given in their honor last week.

The Junior class has shown a talent in the taste department by selling candy canes to hungry students after school.

In all, the Christmas season this year, has warmed the hearts and minds of many Monarchs as they stay as close as possible to the original Christmas traditions.

Most students hope that next year, they can do more to display the true spirit of the occasion; After all, isn't that what it's all about?

## Helix, Mt. Miguel Wrestlers Clash Today

By TOM WARREN

Helix Sports Writer

The Helix varsity wrestlers will face one of their strongest competitors of the young season this afternoon as they take on Mt. Miguel on the Matador mats.

The Scots tied the Matadors for second place in the Chula Vista Kiwanis Tournament held Dec. 5 and 6.

In that event three Highlanders took first place honors in their weight classes.

They were Larry Davidson, in the 133-pound division, Dale Sauter, in the 165-pound class, and junior Dave Hoff in the 180-pound group.

Other Highlanders placing high were junior Tim Shaeffer, who captured second in his class, sophomore Mitch Steinauer, taking a second in the 95-pound class, junior Mark Whillock, who wound up with a third in the 145-pound division, and 138-pound senior Dennis Leslie, who also took a third.

Last Friday the Scot varsity matmen dropped a strong Mar Vista squad, 33-14. They were led by Steve Wetherbee, Mike

Odom, Shaeffer, Davidson, and Hoff, all winning on pins.

Backing them up were Chris Ehrentraut, Leslie, and Steinauer, winning by decisions.

The junior varsity also won their match with the Mariners, 48-7.

On Dec. 11 the grapplers completely dominated Hoover, with the varsity winning their match, 43-3. Those winning on

pins were Schaefer, Leslie, Odom, Ed Weirather, and Dave Floyd.

Varsity coach Bob Lucas called this year's team, "at

least as good as last year's," but at the same time pointed out the need for an improved effort if they are going to beat Mt. Miguel today.

## Letters To Santa

Dear Santa:  
I am a good boy. I want a cowboy hat and gun; 5 work trucks; a teddy bear; Reggie to Robot; a playtime animal zoo; wooden little pig farm; a football; cowboy boots and a clown.

Scotty Spring Valley  
Please bring a lunch pail.  
Emily Spring Valley

When Santa begins making his appointed rounds at shopping centers in Lemon Grove and Spring Valley, thousands of children will flock to see him.

But some kids won't... because they can't.

They are among the many San Diego area shut-ins, who because of various maladies, would ordinarily be denied the chance to visit personally with Saint Nick.

But now, thanks to the San Diego Jaycees, Lemon Grove and Spring Valley shut-ins will be able to speak personally with Santa over the telephone. The project, labeled "Call Santa," will be chairmanned by Larry Bates, a Pacific Telephone employe, according to Dick Teague, another Pac Tel employe, and chairman of the Jaycees' community development program.

Santa will be on hand at the Jaycee office between the hours of 4 p.m. and 9 p.m., today to chat with the youngsters.

The number to call is 232-5061. Bates said that this is the only time that calls will be accepted. The program opened yesterday afternoon.

While this will be the first year of "Call Santa" in the metropolitan San Diego area, the project has been tested

elsewhere. "In Anaheim, we received more than 1,000 calls from shut-in children. And I'm sure that it will be just as successful here," the chairman said.

Dear Santa:  
I would like a Bible and a marble court and a Skeet Shooter.

Love, Richard Sing 500 Broadway Spring Valley

Dear Santa:  
I want a Mador Matt Mason. Jon Van Rhyn P.O. Box 101 Spring Valley

Dear Santa:  
I would like a blue bike. Mary French Spring Valley

Dear Santa:  
I'm writing this letter to you, so you can know what I want. Actually, I don't want a lot of toys or games. Oh! Santa, would you please write a letter back, so I can prove there still is a Santa Claus. My friend, she says that there was a Santa, but now now. Oh now I'll tell you how my toys are. Really, where to start. I know: I'll tell you about my Suzzzy Homemaker.

I would like a Eldon Delux Woodburning set; more things for my Suzzzy Homemaker; Mosette Butiful Kit (the two horses and tragedy and comedy). Also, balloon busting game and a bubble gum machine.

Would you please bring some gum with the machine and some extra gum so if it

gets empty, I can fill it again? I also want cages for my bugs. I collect bugs, in fact right now I have a grasshopper.

I need clothing for my troll doll; some flash cubes for my camera and film for it. I'd like a bingo-matic and colored paper that I can put on my bulletin board.

Well thats all for now. Oh Santa! God bless you. Your friend, Michel Larkins 8712 Hiel st. Spring Valley

Dear Santa:  
I would like to have three things for Christmas.

1. Work bench and tools  
2. Transistor radio  
3. Cigar box cars.

Thank you, Mike Pendergrass 553 Broadway Spring Valley

Dear Santa:  
I'm a girl. I'm 8. My mother wants a bed spread. My dad wants a tie. I want a stuffed pet and a little game. Happy Christmas.

Love, Stacey p.s. I just thought that Raggedy Ann would be nice instead of a game.

Dear Santa:  
I have been a good boy. I am glad that you sent me the zip code letter. I want to thank you for the letter. Now I know my zip code which is 92077.

## Fire Dept. Weekly Report

Two structural fires, two auto fires and one trash fire, kept the Lemon Grove Fire Department busy this past week. Here is the breakdown:

On Dec. 9, a fire causing about \$2500 damage at the Rancher Market at Broadway and Massachusetts, started with a trash container against the building, the F.D. report stated.

The fire extended into a gas meter, causing a hole to burn into the building and inside the structure.

There were two calls on Dec. 11: the first was to 7875 North ave. Children playing with matches in an upper bedroom, caused about \$50 damage to a mattress, and firemen took the mattress outside to extinguish it; and a burning trash container at the Goodrich Tire Co. on Broadway, had to be put out.

An auto accident on Dec. 12 at 3238 Kempf st., caused an undetermined amount of damage to a car by fire, the car belonging to Royal Bates of 3597 Ashmore st., Spring Valley.

A 1957 Ford, belonging to Lloyd G. Parker of 3604 King st., Lemon Grove, burned in the amount of \$100 at the same address.

Rescue Runs  
Dec. 11. Paul M. Daugherty, 54, of 2218 Alton dr., was dead on arrival of firemen, apparently by suicide.

Dec. 13. A 13-months old infant at 2536 Pergh st., was taken to a doctor's office, due to a high fever.
